

PRODUCT WARRANTY

Solar Lifestyle cc T/a SunScan™ warrants this Product as follows:

PRODUCT:

SunScan SR Solar Water Heating System controller

WARRANTY PERIOD

Two (2) Years

The product is covered for the indicated period from the date of purchase, is subject to the terms and conditions of the original sales agreement and is provided under the following conditions:

• SR S.W.H.S. Controller's supplied by SunScan are warranted to the original user only to be free of defects in material and workmanship for a period of twenty four (24) months from date of sale.

SunScans' liability under this warranty shall be limited to repairing or replacing at SunScans' option, without charge, F.O.B. SunScans' Warehouse or authorized service station, any SR S.W.H.S. Controller. SunScan will not be liable for any costs of removal, installation, transportation, or any other charges which may arise in connection with a warranty claim. Products which are sold but not manufactured for or under the SunScan brand are subject to the warranty provided by the manufacturer of said products if any and not by SunScans' warranty. SunScan will not be liable for damage or wear to products caused by abnormal operating conditions, accident, abuse, misuse, unauthorized alteration or repair, or if the product was not installed in accordance with SunScans' printed installation and operation instructions. To obtain service under this warranty, the defective product must be returned to SunScan or a dealer of SunScan products from which it was purchased together with proof of purchase, Photographs of installation, installation date, failure date, and supporting installation data. Unless otherwise provided, the distributor or dealer will contact SunScan for instructions. Any defective product to be returned to SunScan must be sent freight prepaid; documentation supporting the warranty claim and/or a Return Authorization must be included if so instructed.

Should the product require replacement or repair during this warranty period only the balance of the original warranty period will remain effective.

Warranty claims will not be considered if the defect in the product arises from:

- The SR S.W.H.S. Controller being installed in any other manner whatsoever other than prescribed in the operation and maintenance manual specific to the model.
- The SR S.W.H.S. Controller is installed outside without suitable protection from weather elements.
- Loose or dry joint electrical connection.
- Electrical over-loading.
